Picture Pondering

1) Choose one picture

2) Think about the following questions:

What is the first thing you see/notice?

What is happening?

How does the picture make you feel?

What words would you use to describe the mood of the picture?

If you could step into this picture, what would you be able to see/hear/feel and smell?

What do you think might happen next?

If you could ask someone/something in the picture a question, what would it be?

Would you change anything about the picture?
